

# Inviting Other Users to Your Salsify Organization

Last Modified on 10/15/2018 1:47 pm EDT

1. Click on the User Menu.
2. Select *My Company*.

3. On the Users tab, click on the *Invite More People* button.

4. Click *Administrators* in the drop down menu.
5. Enter the email addresses for people you would like to invite to Salsify.
6. Click on the *Send Invitations* button.

Invite People to Salsify

Enter the email addresses of anyone you'd like to invite to access your Salsify organization.

They will be added to the  group
